Stops are approximate times.

The Central Oregon Hay Growers' Association, OSU Extension Service (Crook, Deschutes, Jefferson Counties), and the Central Oregon Ag Research Center are holding this Irrigation Field Day Tour. The focus will be on converting MESA pivots and linears to LESA/LEPA/PMDI systems.

Wy'East, Energy Trust of Oregon, Bureau of Reclamation (BOR), NRCS, OSU Extension Service, COARC and Irrinet, LLC will be among the participants.

For more details or information, contact Mylen Bohle at OSU Crook County Extension, 541-447-6228.

Oregon State University Extension Service offers educational programs, activities, and materials without discrimination based on age, color, disability, gender identity or expression, genetic information, marital status, national origin, race, religion, sex, sexual orientation, or veteran's status. Oregon State University Extension Service is an Equal Opportunity Employer.

This publication will be made available in accessible formats upon request. Please call (541) 447-6228 for information. If you have a physical disability that requires special considerations in order for you to attend an event, please notify the appropriate program contact, three (3) days prior to event date.
